# Community Heroes Among Us

## Quarter 3: July 1- September 30, 2024

Each quarter we review the community involvement hours that have been inputted by our team members in search of the community leadership actions that stand out! As was previously shared we want to recognize team members' extraordinary leadership efforts in support of a local non-profit organization, mission and/or cause while representing our Bank.

### Darlene Hagan – [Women's Money Matters](#)

Women's Money Matters is a non-profit organization that builds the financial wellness, confidence, and security of women and girls living on low-incomes through a unique program that combines instructional workshops and personal, one-to-one coaching. **Darlene Hagan** (Deposit Servicing) volunteers as a Coach. Coaches are thoughtfully paired with a program participant for the duration of the program. They work directly with their partner to help them reach their specific financial goals. Darlene works one-on-one with her buddy each week. Thank you Darlene for helping to promote financial literacy.
